The above information is used by the club to assist in the smooth running of the North East Radio Club.

The club stores your personal information in a database which is stored on physical hard drives (not located in the cloud) and is maintained by the Membership Officer. A regularly updated spreadsheet is provided to the President, Secretary and Treasurer.

Note. Your name, address and callsign is available to the public on the ACMA website and a list of members first names and call signs are published on the NERC club website.

Charlie McEachern VK5VC.
